WATERFRONT TRAIL

<http://www.olympicdiscoverytrail.com/>

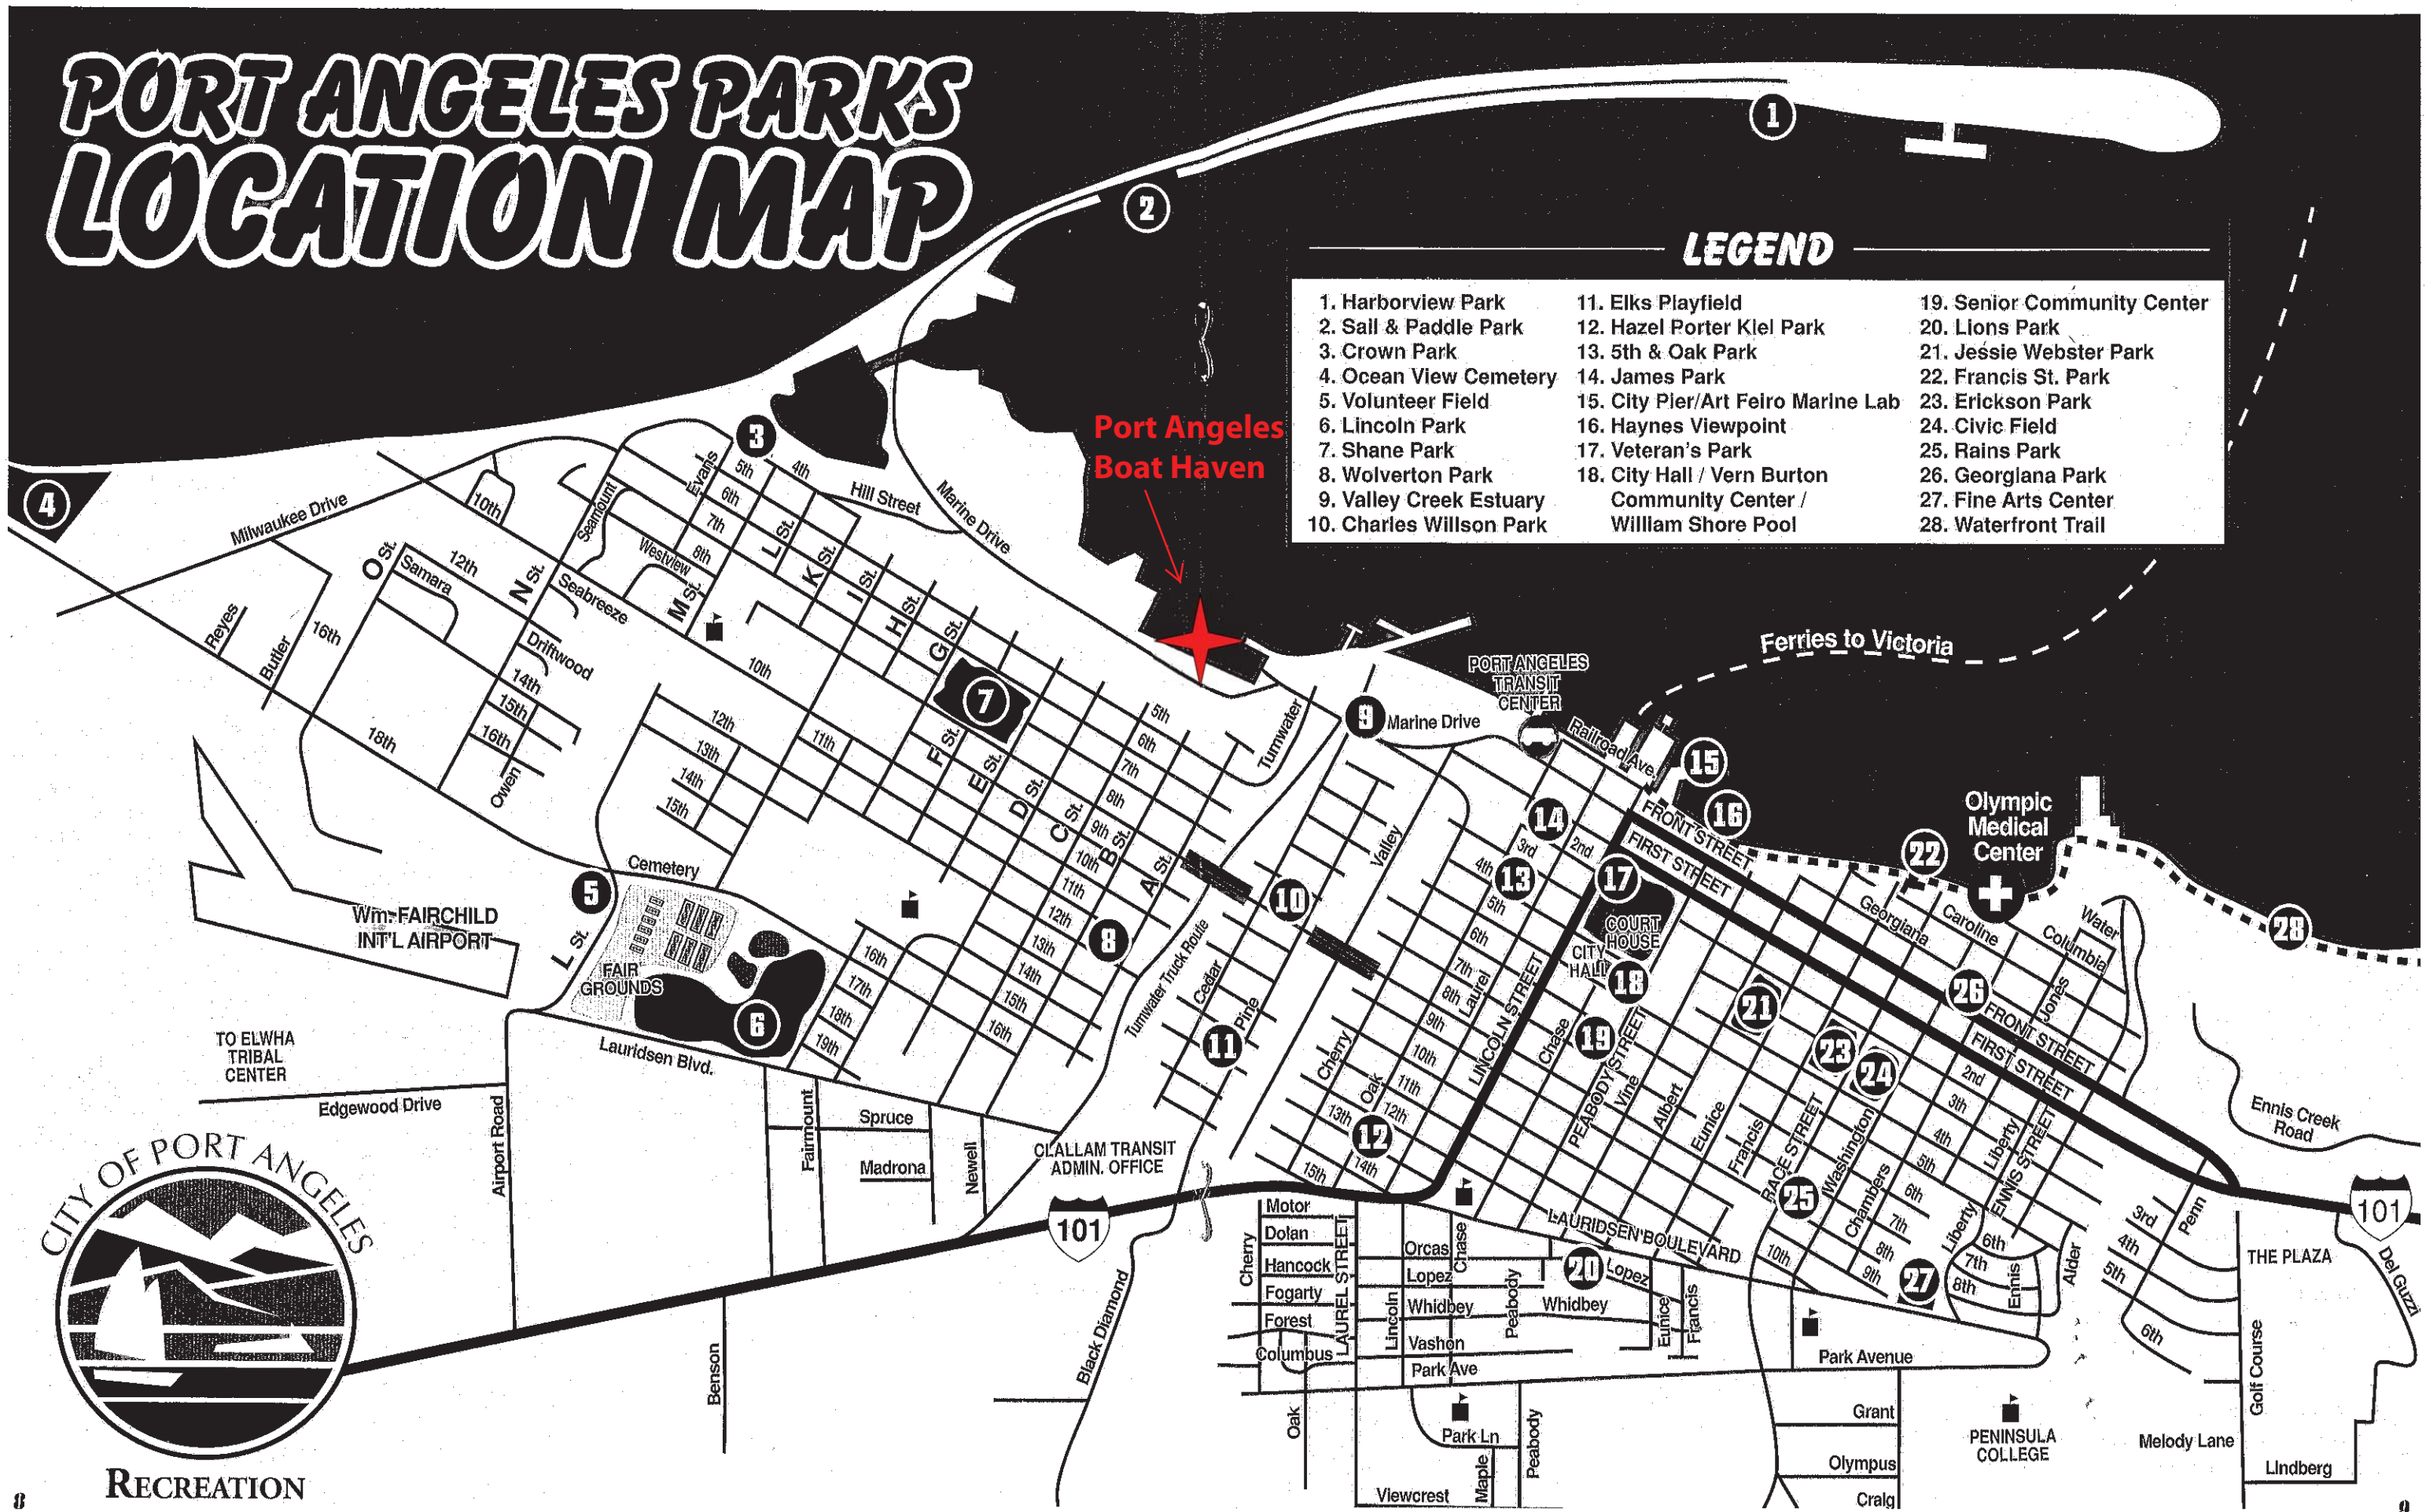

In addition to its facilities, the Boat Haven features access to the Olympic Discovery Trail, a 25-mile asphalt path that passes by the Boat Haven and continues to the old Rayonier Mill site and beyond. An arm of the trail extends past the Boat Haven to the United States Coast Guard Station based at the end of Ediz Hook. Walking, biking and inline skating are possible on the trail which allows wheelchair access as well as pets on a leash.
