

# INTRODUCING THE NEW

PORT ANGELES  
**MARINE**  
TRADES CENTER

PORT OF PORT ANGELES

## *A Unique 18-Acre Waterfront Opportunity for Marine Trades*

*This premium location on the Strait of Juan de Fuca has the infrastructure to support a broad range of marine trades businesses.*

- The Port Angeles harbor waterfront is home to full-service boatyards with a complete range of repair services.
- The Port of Port Angeles operates two deep-water berths for large vessel repair.
- Two heavy haul-out marine travel lifts are available: a 300-ton and a 500-ton.
- The Port offers competitive lease rates for available land on this industrially-zoned waterfront property.
- The Port Angeles area is home to many support services and a dedicated workforce.
- Port Angeles is strategically located on the Strait of Juan de Fuca between the Pacific Ocean and Puget Sound. It is the closest deep-water port to the Pacific Rim on the United States' west coast.

# Get to Know the Port of Port Angeles

## *A Great Place to Do Business*

***Since 1923, the Port of Port Angeles has brought people, resources and industry together to foster living wage jobs and economic prosperity for the people of Clallam County.***

Facilities include four industrial marine terminals with capacity for large vessel loading and repair and barging, top-side repair and bunkering services, two marinas, a full-service international airport, and two industrial parks geared to supporting small to medium manufacturing.

The Olympic Peninsula has world-renowned recreational opportunities and a skilled, dedicated workforce.

***If you're considering locations for your enterprise, put the Port at the top of your list!***
