

Healthcare is on the ballot.

SERVICES THAT SAVE LIVES

OMC provides crucial hospital services 24 hours a day, every day of the year, including labor and delivery, trauma and emergency care, and intensive hospital care.

HEALTHCARE CLOSE TO HOME

Essential and critical services available nearby are vitally important. Local care is more convenient, less burdensome and allows more time with the ones you love.

OUR HEART, OUR EMPLOYEES

Reasonable and competitive wages, as well as organizational stability, are crucial to the retention and recruitment of a quality workforce.

If passed, hospital proposition 1 will support the viability of 24/7/365 operations, help keep critically needed services local, reinforce our ability to recruit and retain our quality workforce, and give us flexibility and options for meeting future health care needs of our community.

The Commission of Public Hospital District No. 2, Clallam County, Washington (Olympic Medical Center) adopted Resolution No. 556 concerning the district's regular property tax levy. If approved, this proposition would provide additional operating and capital funds for hospital and other health care services. It authorizes a maximum regular property levy rate for collection in 2025 of 75 cents per \$1,000 of assessed value. The 2025 levy amount will be used for the purpose of computing the limitations for levies in subsequent years.

Frequently Asked Questions

What is the purpose of hospital proposition 1?

Hospital Prop 1 has four main purposes:

- Supporting the viability of 24/7/365 hospital operations, including labor and delivery, trauma and emergency services and intensive care
- Helping keep critically needed healthcare services local
- Reinforcing the ability to recruit and retain a quality healthcare workforce
- Giving flexibility and options for meeting the future health care needs of our community

If passed, how does hospital proposition 1 benefit the community?

As a community safety-net hospital, Olympic Medical Center provides **crucial hospital services in Clallam County 24 hours a day, every day of the year**, including labor and delivery, trauma care and emergency services, and intensive hospital care. These services save lives and are provided regardless of an individual's ability to pay.

When a member of our community needs health care, **having essential and critical services available nearby is vitally important**. Health care close to home means more convenience, less travel and more time with the ones you love.

At the heart of Olympic Medical Center is the healthcare workforce that cares for our community each and every day. Reasonable and competitive wages, as well as organizational stability, are crucial to retaining and recruiting.

It will support flexibility to develop enhanced and new needed healthcare services and programs.

What is the term of hospital proposition 1?

If passed, the rate may decrease over time as property values fluctuate, but the estimated levy amount of \$12 million annually will remain until an adjustment is approved.

When was the last levy lift for Clallam County Public Hospital District no. 2 (Olympic Medical Center)?

The last levy lid request was voted on and passed in 2008.
