Port of Port Angeles – Marine Terminal Tariff No. 200 Update

Effective Date: July 22, 2026

Prepared For: Port of Port Angeles Commission

Prepared By: Scott T. Hough, Senior Operations Manager

Purpose of Update

The proposed Tariff No. 200 (effective July 22, 2026) revises rates, clarifies terms, and aligns with current regulatory requirements. Updates ensure compliance with Federal Maritime Commission (FMC) standards, the U.S. Code of Federal Regulations (CFR), and Revised Code of Washington State (RCW). This update supports the Port's long-term operational sustainability and market responsiveness.

Key Changes Summary

Category	Notes
Environmental Stormwater	~3% increase
Dockage	~3% increase
Equipment Rental List & Rates Posted	~3% increase
Fresh Water & Electric Hookup	~3% increase
Security Fee	~3% increase
Passenger Traffic Fee	~3% increase
Basic Longshore	Adjusted per ILWU PMA updates
Fuel Flowage Fee	\$.02 per gallon increase and addition of waterside bunkering fees

Structural and Policy Enhancements

- Manlift and Telehandler added to available equipment list.
- Refined **vessel documentation deadlines**: manifests, stowage plans, hazardous lists.
- Clearer **berth assignment protocols** and **Port operational discretion**.
- No changes to wharfage, service & facilities, and handling charges.

Recommendation: Adopt the updated Tariff No. 200 (effective July 22, 2026) to ensure the Port's compliance, competitive positioning, and financial sustainability.
